UV has supported Anode well in the recent past with meat & food tins, cereals, biscuits squash and UHT milk etc. We want to continue this great work so please buy that extra tin when you do your regular shop.

Did you know that Torbay is in the top 10% of the most deprived homes in the country and that 1 in 4 children here live in relative poverty.

Tommy Pratt Back from Mission

We want to welcome Tommy Pratt back from a 5-month mission trip to Saskatchewan, Canada. After 3 months of gruelling Discipleship and Mission training among the forests, mountains and frozen lakes, Tommy went on mission. This included several weeks with the native community of Pelican Narrows, a place with many deep social and spiritual problems, including high suicide rates, drug addiction and violence.

Tommy will be sharing with us at the FORGE on 18 June about how he has seen God at work during this trip - he has some incredible stories!
