Filming - Sunday morning 24th September

We are going to be filming for a new church video on the morning of Sunday 24th September. The footage is intended to be used only within the church building. No footage will be used on social media or the website without the express consent of those featured. Filming will be taking place before the morning celebration as people arrive at church in the Link; and in the main church sanctuary before and during worship. We may ask some individuals if they are happy to be shown in close-up shots, but the majority of the footage is likely to be a 'crowd scene'. If you would prefer not to be filmed at all, please avoid the area where you see the filming taking place. If you have any concerns, please speak to Steve Cayley, Annette Harpham, or in the case of a safeguarding issue, Ele Hine our safeguarding officer or any other members of the safeguarding team.

Visitors We give a warm welcome to all visitors. Please visit the Welcome Desk and pick up a leaflet which describes what happens here at UV for adults and children. The Welcome Team can be found wearing orange lanyards and will be happy to answer any questions, including guiding you to the correct group for your children. Please complete a blue visitors card if you would like to keep in touch and leave it at one of the coffee points or at the Welcome Desk.
