

Feedback from PRAYER WEEK April 2020

“If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land.”

(2Chr. 7:14)

- **UNITY**

- John 17: 29 – 33
- Recognising how blessing can only come as God’s people unite locally, nationally and globally.

- **HUMILITY**

- Psalm 46:10
- Recognising God’s might, power and SOVEREIGNTY, and yet at the same His INTIMACY with, and LOVE for each of us.
- Psalm 63:3
- Recognising who God is

- **TRUST**

- Of where we are now
- Of where we’re going
- Of what the future holds
- Psalm 111

- **NEW THING**

- Isaiah 43:19
- Coming out of prayers for ‘re-imagine’
- Getting rid of the cobwebs (Job 8:14,15 and a picture of a potting shed with cobwebs on the tools)

These four strands seem to be part of a process: Humility → spend more time in prayer → transformation in us as individuals → transformation in UV, Torbay, our nation, globally.
