- ❖ This prayer guide is provided to assist you during an hour of prayer with a focus on the **global** community. You can choose to follow this either via video or silently by reading the provided guide as a document.
- ❖ Please feel free to participate or not with the content or wander in God's presence as you feel His spirit leads you.
- ❖ You can pause this video at any time to pray, focus or perform an activity.

Verse of the week

Our verse for this week is Micah 6:8. This version is from the Street Bible by Rob Lacey.

Hasn't he shown you what's good? Don't you know what he expects from you? It's very simple: to be fair with people, to give people some slack and to know your place with God.

Pause & Center (5 mins)

As I enter prayer now, I pause to be still; to breathe slowly; to re-centre my scattered senses upon the presence of God.

Father God, open my eyes, stir my heart and teach me how, 'to be fair, to give others slack and to know my place with you.

Rejoice (10 mins)

Guided prayer

Father (Dad),

I come before you now and rejoice in your presence and beauty. Thank you for the all you have created, thank you for the beauty that surrounds me. Thank you for the incredible people all around this planet.

My heart skips a beat knowing that you take personal interest in every one of us and know me better than I know myself.

Please guide my mind to those global leaders, situations, issues you would have me bring to you now and how you see me being a part of the solution in my own community and the wider world. Reveal your will please father.

May your kingdom come and your will be done in all nations, governments, leaders and organisations throughout this world.

Amen.

Ask (30 mins)

How can the Global church, communities, nations, governments & organisations respond?

Get some small pieces of paper and write down topics/issues that God puts on your mind that affect the globe.

Maybe stick these pieces of paper all around your God place or on the walls, windows, fridge etc. Try different colours, shapes & sizes of paper.

Examples may be....

- ❖ Racial tensions/injustice
- ❖ Environment
- ❖ Truth
- ❖ Conflict
- ❖ Covid-19 & Lockdown
- ❖ Mental Health
- ❖ Refugees
- ❖

Now hold these items in your mind and bring them to God and pray them through. Remember praying does not always have to involve words.

Pause to complete

and/or listen to the following 15mins of worship.

Perhaps light a candle, real or electric to demonstrate God's light shining over the world.

Yield

Say yes to God's call to the world.

Say yes to God's will for the world.

Say yes to God's kingdom coming all around the globe.

Say yes to God's light shining across the world.

[Re]commit yourself to your dad in Heaven.
